2. [REDACTED] ORR, called to say that State Department had requested for the House Foreign Affairs Committee a map indicating the captive nations. [REDACTED] mentioned that his office frequently gets calls from State Department requesting this kind of support and wanted to let us know of the request. I advised [REDACTED] that we had no objection to their providing the map to State for their presentation to the Committee.

4. [REDACTED] Mrs. Gwen Lewis, now on the staff of Senator Len B. Jordan, asked if we would look into an employment application situation for Mr. Lynn Mote, Administrative Assistant to Senator Curtis. I contacted Mr. Mote who said he was interested in the application of [REDACTED] who had a lucrative position in private industry but desired employment with the Agency. Mote said that [REDACTED] contacted the Agency but received what he [REDACTED] considered a stock response.

6. [REDACTED] Robert McManus, Senate Internal Security Subcommittee staff, has asked if we could verify the fact that there are Guinean troops in Cuba. In this connection, he referred to a Chicago Negro newspaper, THE NEW CRUSADER of 27 October 1962 which indicated that some of these Guineans had been ruthlessly killed by Soviets in Cuba.
